

IT'S YOUR TURN

We would like to hear your views on the proposed "directions."

Goals

The following goals are proposed - what do you think?

I AGREE

I DISAGREE

1. Affordable rental housing for low-income households including persons with special needs.
2. Affordable rental housing for moderate-income households.
3. Entry-level ownership housing for moderate-income families.
4. Diverse housing options to meet the needs of "empty nesters" and others.
5. Suitable housing and support to enable seniors to age in place.

Actions

The following actions are proposed - what do you think?

I AGREE

I DISAGREE

1. Form municipal housing corporation.
2. Obtain affordable housing through development process.
3. Create partnerships to develop affordable housing.
4. Legalize secondary suites.
5. Start municipal housing reserve fund.
6. Amend OCP to support housing innovations.
7. Create waiting/interest list for affordable housing.

COMMENTS

We welcome your comments.

THANK YOU !
